Operation Encompass Safeguarding Statement

Our College is part of Operation Encompass. This is a police and education early intervention safeguarding partnership which supports children and young people who experience Domestic Abuse.

Operation Encompass means that the police will share information about Domestic Abuse incidents with our college soon after they have been called to a domestic incident.

All Key Adults (DSL/DDSL) have attended an Operation Encompass local briefing as well as national online training.

Our parents / carers are fully aware that we are an Operation Encompass college.

The Operation Encompass information is stored in line with all other confidential safeguarding and child protection information.

The Key Adult has also led briefings for all college staff and Governors about Operation Encompass, the prevalence of Domestic Abuse and the impact of this abuse on children / young people. We have also discussed how we can support our young people following the Operation Encompass notification.

The Deputy Designated Safeguarding Lead will report on Operation Encompass in the annual report to Governors. All information is anonymised for these reports.

The Key Adult has used the Operation Encompass Toolkit to ensure that all appropriate actions have been taken by the school.
